ABOUT US

Canadian MoneySaver is the acclaimed personal finance magazine with a reputation built on trustworthy and pragmatic services since 1981. Published nine times a year, in print and digitally, the website and accompanying podcast make it an essential resource for Canadians interested in personal finance and financial literacy.

Typically grounded in a monthly theme, Canadian MoneySaver partners with Canadian experts in the personal finance space including, investing, savings, family budget, women in investments, and personal finance covering topics ranging from investing and savings to taxation, budgeting and ESG issues facing Canadians.

OUR MISSION

We strive to educate and empower Canadians to have the ability to take their finances into their own hands.

EDITORIAL TEAM

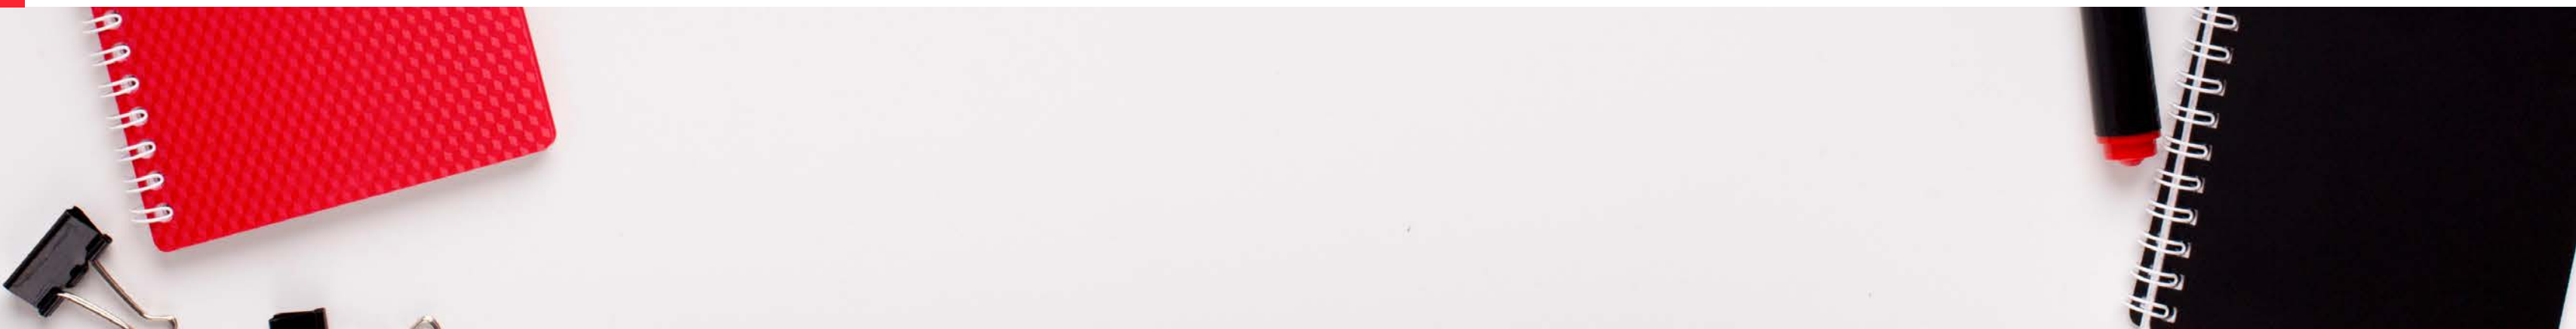

LANA SANICHAR - Editor in Chief

Lana is the editor-in-chief of Canadian MoneySaver magazine and Co-Host the popular MoneySaver Podcast. Passionate about personal finance and the importance of having the right mindset to achieve financial fitness. Lana shares her passion by carefully catering each edition to offer the top personal finance information by top Canadian experts. A pioneer of women in finance and her dedication to financial education for all makes her the perfect leader for the Canadian Moneysaver team.

PETER HODSON - Editor

Peter, Editor, holds the Chartered Financial Analyst designation and has a Bachelor of Business Administration in Economics from the University of Western Ontario. He was Chairman of Sprott Asset Management LP, a Director of Sprott Inc. and lead portfolio manager for the Sprott Growth Fund. Peter is also Portfolio Manager for the i2i Long/Short US Equity Fund.

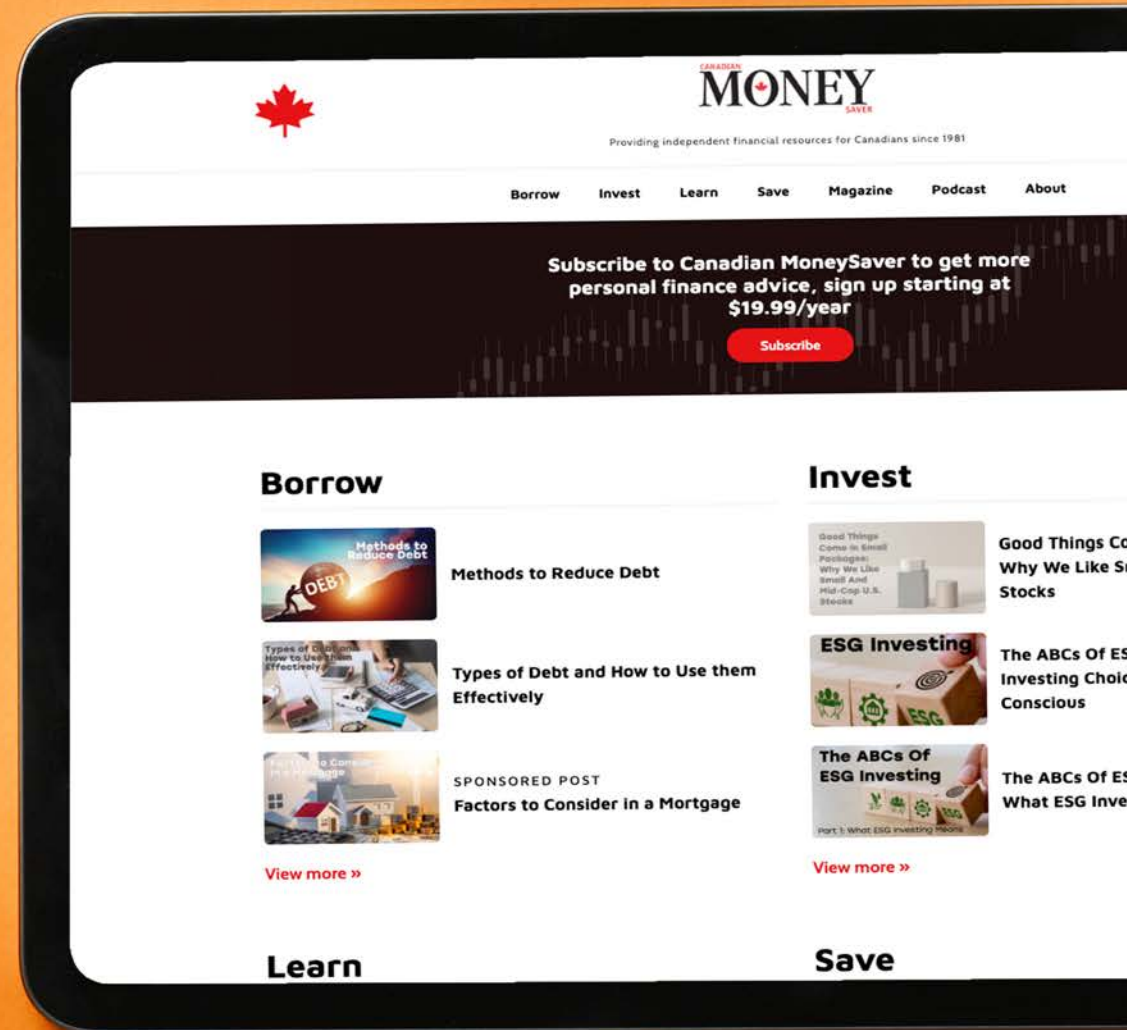

MAGAZINE

The Canadian MoneySaver Magazine is the only personal finance centric magazine offering a print edition in Canada. Its loyal subscribers can access the magazine in print and digital versions, making it a targeted channel for your advertising needs. With its exhaustive online archive, available on Canada MoneySaver's website, your advertising will benefit from the added value of extended exposure.
